In all cases, final validation of the order implies its acceptance, in its entirety and at the prices indicated by SPA GP.

The signature acts as a validation of the order and express acceptance of all operations carried out on the site.

- Any order placed by the purchaser constitutes for SPA GP an offer, under conditions, that depends on ticket availability and on acceptance of the order by SPA GP.

**Article 6 : Car parks and campsites**

With the exception of the "blue" car parks and the "Young Village" and "Spa GP" campsites, SPA GRAND PRIX only acts as an intermediary and is not the owner of the sites concerned by the "parking" and "camping" tickets on sale on the website. Consequently, with regards to the car parks which it does not own, SPA GP declines all responsibility for the state of the land. No compensation of any kind may be charged to SPA GP in the event of impossibility of access to the said car parks or campsites due to their state. The purchase of a car park pass gives access to a car park zone (yellow, green or red). You will be asked to follow the itinerary identified for your Car Park zone and to proceed to the location indicated by the stewards. The stewards may direct you to a site located on private land or along the road. It is not possible to choose a specific car park within your parking zone.

**Article 7 : retention of ownership – intellectual property**

Any ticket purchased in violation of this clause shall not give any access right.

Additionally, SPA GP reserves the right to cancel tickets as soon as it is confirmed that, despite this prohibition, tickets have been put on sale in violation of this clause and shall not give any access right.

Notwithstanding any contractual provisions, in the event that the payments have not been made in the timeframes mentioned above and/or the purchaser has not cancelled an order, SPA GP reserves the right to obtain payment by legal means or, at its choice, have the sales contract rescinded.

In this case, any delay in payment automatically, and without giving rise to any notice, leads to interest of 1.5% per month on sums due, starting from the date on which payment is due, without prejudice to any other damages and interests that may also be claimed by SPA GP.

Additionally, the total amount of the invoice shall be increased by 15% with a minimum of €400, (four hundred Euro) as lump-sum compensation for non-payment of the invoice by the given deadline.

**Article 14 : Cancellation of the event**

1.

"Cancellation of the event" means the final and irrevocable decision to cancel all or part of the Formula One Belgian Grand Prix 2025.

The event is deemed to have taken place from the start of F1 practice sessions or support races.

Early stopping of the event prior to the Formula one race on the Sunday of the event, for any reason whatsoever, is not considered a cancellation of the event and will not lead to any compensation of any kind.

2.

Except in the event that the cancellation of the event is the sole responsibility of SPA GP (see point 3 below) and except in the event that the cancellation of the event is the result of force majeure (see point 4 below), tickets ordered and paid for will not be refunded.

3.

In the event of cancellation of the event by the exclusive decision of SPA GP, and provided that the decision to cancel does not come within 40 days of the first day on which the event would normally take place, SPA GP undertakes to proceed within a reasonable period of time to refund, to the bank account that will be communicated to SPA GP under the exclusive responsibility of the purchaser, the amount inclusive of VAT of the orders already paid and up to the amount of the payments effectively received by SPA GP.

Once the refund has been made to the bank account provided by the purchaser, SPA GP is relieved of all obligations and the purchaser irrevocably and unconditionally waives all claims against SPA GP.

No refund can be demanded from SPA GP if the decision to cancel is made within 40 days on which the event would normally take place.

4.

"Force majeure" means any insurmountable event, independent of any fault of SPA GP, which prevents SPA GP from performing its obligations.

The following shall constitute a case of "force majeure" : any act by a public or sporting authority (unless such act was a result of actions of SPA GP): requisition, prohibition, impediment, police measure, etc., which legally prevents SPA GP from performing the services to which they are contractually bound.

In the event of the cancellation of the event due to force majeure or prohibition/limitation of the presence of spectators due to force majeure, no penalty or compensation of any kind can be claimed from SPA GP, FIA or FOWC (including its affiliates) in accordance with the provisions of applicable Belgian law.

SPA GP will, however, endeavour to compensate its customers as far as possible and without any particular deadline.

SPA GP may thus decide, according to specific terms and conditions to be agreed, to give the choice between : postponement to the next edition; or financial compensation.

In the case of financial compensation and from the time of the refund to the bank account provided by the purchaser, SPA GP is relieved of all obligations and the purchaser irrevocably and unconditionally waives all claims against SPA GP.

No financial compensation can be demanded from SPA GP if the decision to cancel is made within 40 days in which the event would normally take place.
